Former Wurtsmith Air Force Base Quarterly Drinking Water Sampling

The Air Force Civil Engineer Center (AFCEC) will begin quarterly drinking water sampling this month for potable wells near the former Wurtsmith Air Force Base to determine if PFOS/PFOA contaminants are present in drinking water sources.

Please call (248) 926-4008, or email Amy.Rauser@woodplc.com to be scheduled for the quarterly sampling program if you meet all of the following criteria:

- *If you have property in the hatched area identified below;*
- *Have a private well used for drinking water purposes and are not connected to the Municipal Water Supply;*
- *The Air Force hasn't sampled your well in the past; and,*
- *Are willing to allow the Air Force and their contractors to sample your private drinking water well.*
