DISTRICT HEALTH DEPARTMENT No. 2

Job Classification: Two (2) Contractual Nurse Practitioners or Physician's Assistants

Base Site: 1) Clinics in West Branch and Mio
or
2) Clinics in Tawas and Harrisville

Rate of Pay: $60.00/hour

*Either of these positions are at low volume clinics that vary in the day of the week, the times, and the number of times per week that they are held. This is based on a schedule developed set-up several months in advance.*

Duties

- Under the direction of the Medical Director, assumes responsibility for the Personal Health Care Center clinical services.
- Secures a complete reproductive health history and records findings. Performs complete screening physical examination with specific emphasis on evaluation of the breasts, abdomen, and pelvis with visualization of the cervix and examination of the bimanual vaginal and rectovaginal areas or a male testicular and screening exam with STI services.
- Obtains Papanicolaou smears and STI testing as needed.
- With the client, develops a reproductive health plan, including health education, disease prevention and general anticipatory guidance for the client.
- Provides clinical management within medical protocols of women and men with uncomplicated or other reproductive illnesses.
- Acts as a resource to the community on short and long-term contraceptives, STIs, and other reproductive health care issues.
- Confers with MDHHS Technical Consultants, State Representatives or other liaisons on program operations or service.
- Remains current with evidenced-based and best practice standards.

Education/Experience

- Bachelor’s degree in nursing and one additional year of academic training that awards a degree, diploma, or certification for successful completion of the program: or satisfactory completion of a formal educational program for preparing registered nurses to perform an expanded role in the delivery of primary care.
- Certification as a primary care nurse practitioner by the A.N.A, the National Certification Corporation for OB/GYN Nurse Practitioner, or the National Board of Pediatrics Nurse Practitioners and certification by the State of Michigan as a Nurse Practitioner.
- Registered Physician’s Assistant.
- At least one year of experience as a nurse practitioner in an office or clinic setting.
- Certified to insert and remove long-term contraceptives.

Other Requirements

- Possession of a current license to practice as a Registered Nurse in Michigan.
- Completion of CPR training and certification is a condition of continued employment. Valid Michigan driver’s license.

Applications are available at Health Department offices or you may fill one out on-line at www.dhd2.org/employment. Submit application/resume to District Health Department No. 2, 630 Progress, West Branch, MI 48661 or by e-mail to vsherosky@dhd2.org. Positions will be posted until filled.
