OFFICES CHECKLIST FOR REOPENING

Below is a breakdown of the requirements of the Governor's latest Executive Orders, which establishes safeguards for employees leaving their residence to work and pursuant to Executive Directive 2020-6 which establishes the Office of Worker Safety.

THE EO REQUIRES BUSINESSES TO MINIMALLY DO THE FOLLOWING:

☐ Develop a COVID-19 preparedness and response plan consistent with OSHA guidelines - a fillable form can be found on the DHD2 COVID-19 website in the business guidance section.

☐ Designate a work place supervisor to implement, monitor and report on the plan developed as a result of the above requirement.

☐ Provide COVID-19 training to employees addressing infection control practices, proper use of personal protective equipment (PPE), steps to notify the employer of a positive test or symptoms, and how to report unsafe work conditions.

☐ Conduct daily entry self-screening of employees including a questionnaire covering symptoms or confirmed exposure to positive people - employee screening forms can be found on the DHD2 COVID-19 website in the business guidance section.

☐ Maintain a distance of 6 feet between all people at the business to the maximum extent possible using ground markings, etc.

☐ Provide non-medical grade facemasks to all employees.

☐ Require face coverings be worn when employees cannot consistently maintain 6 feet of distance from each other.

☐ Increase disinfection and cleaning of the business with special attention to shared objects and high-touch surfaces.

☐ Develop protocols to be used for cleaning if there is a positive test at the location.

☐ Make cleaning supplies available to employees upon arrival at work and allow time for them to wash their hands or use hand sanitizer frequently.

☐ Notify the local health dept. and co-workers, contractors, or suppliers who may have come into contact with the person within 24 hours of having an employee test positive.

☐ Follow EO 2020-36 which prohibits any retaliating against employees who stay home or leave work when they are at particular risk of infecting others.

☐ Establish a response plan to send employees home and temporary closure when dealing with a confirmed infection.

☐ Restrict business related travel to essential travel only.

☐ Encourage employees to use PPE and hand sanitizer on public transportation.

☐ Promote remote work to the fullest extent possible.

☐ Adopt additional reasonable infection control measures in light of the work performed at the location and the infection rate in the community.

☐ Maintain records of employee trainings, daily screenings and employees identified with COVID-19 and what steps were taken.
OFFICES MUST:

☐ Assign entry points for employees to avoid congestion.
☐ Provide visual markers outside the building to maintain distance in case of congestion.
☐ Take steps to reduce entry congestion and ensure effective screening.
☐ Require face coverings in shared spaces.
☐ Increase distances between employees by spreading out work spaces, staggering space usage, etc.
☐ Turnoff water fountains.
☐ Prohibit social gatherings and meetings that do not allow for social distancing or create unnecessary movement in the office.
☐ Provide disinfecting supplies and require workstations be wiped down at least twice daily.
☐ Post signs about the importance of personal hygiene.
☐ Disinfect high-touch surfaces.
☐ Institute cleaning protocol when symptomatic employees are sent home.
☐ Notify employees if a positive person was at the office.
☐ Prohibit non-essential visitors.
☐ Restrict non-essential travel including in-person conference events.

ED 2020-6 creates the Office of Worker Safety and allows someone to be appointed Director of COVID-19 Workplace Safety. The latest EO establishes the workforce safety rules for all businesses across the state as the process of in-person work gradually returns. The Director of Workplace safety (and all agencies required to monitor compliance with workplace safety) will bring enforcement actions against any employer who violates these orders.
